

DEEP petit

INSTALLATION INSTRUCTIONS | FEBRUARY 2023

DIMENSIONS

MOUNTING INSTRUCTIONS

1 Make a hole in the ceiling according to the prescribed dimensions.

2 POWER CONNECTION
Always use a driver according to the specifications of the LED module.

Single connection

Multiple connection

3 Push the springs upwards and insert the fixture in the ceiling hole.

Driver must be powered off before connecting cables.

Before connecting the luminaire/LED module to the driver please make sure the driver is not powered but disconnected from the mains. The driver can only be powered when the luminaire/LED module is already connected. Disregarding this instruction might damage or even destroy the luminaire/LED module.
