Our Commitment to Data Privacy

At ROIboard, we believe that trust begins with transparency.

We are committed to protecting the privacy and personal data of our customers, partners, and website visitors. As we continue to develop ROIboard, we strive to align our data handling practices with the principles of the General Data Protection Regulation (GDPR) and other applicable privacy laws.

Privacy and security are important parts of how we design and improve our platform.

What Information We Collect

Depending on how you interact with ROIboard, we may collect information such as:

- Name
- Business email address
- Company name
- Job title
- Contact information
- Website usage information
- Device and browser information
- Cookies and analytics data
- Product usage and account activity

We only collect information that is necessary to provide and improve our services.

How We Use Your Information

We process personal information to:

- Provide access to ROIboard
- Manage user accounts
- Respond to inquiries and support requests
- Improve product performance and user experience
- Maintain platform security
- Communicate important service updates
- Comply with legal obligations

We do not sell your personal information to third parties.

Your Privacy Rights

If GDPR or similar privacy regulations apply to you, you may have the right to:

- Access your personal information
- Correct inaccurate information
- Request deletion of your data
- Restrict or object to certain processing activities
- Withdraw consent where applicable
- Request data portability
- Submit a complaint to your local data protection authority

To exercise these rights, please contact us using the information provided below.

Cookies

ROIboard uses cookies and similar technologies to ensure our website functions properly, improve performance, and better understand how visitors use our services.

Where required by law, non-essential cookies will only be used after obtaining your consent.

Data Security

We implement reasonable technical and organizational measures designed to protect your information from unauthorized access, disclosure, alteration, or destruction.

While no system can guarantee absolute security, we continuously work to maintain appropriate safeguards for our platform and infrastructure.

International Data Transfers

Your information may be processed or stored in countries outside your country of residence.

Where international data transfers occur, we implement appropriate safeguards designed to protect your personal information in accordance with applicable privacy laws.

Staging Environment Notice

This website is currently operating as a **staging (pre-production) environment**.

The content, features, and functionality available on this site are provided for testing, evaluation, and quality assurance purposes and may change without prior notice.

We recommend that users avoid submitting sensitive, confidential, or production-critical information while using the staging environment unless specifically requested by ROIboard.
