Beyond

Everything we test

Every test, panel and scan we offer, with prices. Most people start with core testing, which includes a 45-minute virtual visit with a fertility clinician to go over your results.

Core testing

Women's testing Core hormone bloodwork and a 45-minute virtual visit with a fertility clinician	$369
Men's testing Core hormone bloodwork, semen analysis and a 45-minute virtual visit with a fertility clinician	$549
Testing for female partner Core hormone bloodwork	$119
Testing for male partner Core hormone bloodwork and semen analysis	$299

Visits and imaging

Virtual visit with a fertility clinician 45 minutes, one-on-one	$250
Pelvic ultrasound An internal scan of your uterus and ovaries, about 30 minutes	$300
