OCONEE FALL LINE TECHNICAL COLLEGE

President

About Oconee Fall Line Technical College

Oconee Fall Line Technical College is a public two-year institution within the Technical College System of Georgia serving students and communities across Baldwin, Bleckley, Dodge, Hancock, Johnson, Laurens, Treutlen, Washington, and Wilkinson counties through campuses in Dublin and Sandersville. The College offers associate degrees, diplomas, technical certificates of credit, adult education, continuing education, and customized workforce training aligned with regional workforce and economic development needs.

Serving a broad and diverse geographic region, Oconee Fall Line Technical College plays a vital role in workforce preparation and economic growth across its service area. The College provides programs in high-demand fields including healthcare, commercial truck driving, welding, radiologic technology, sonography, skilled trades, business, and industrial technologies. Known for its strong community partnerships and student-centered mission, OFTC maintains close relationships with employers, school systems, civic organizations, and regional leaders to ensure programs remain responsive to workforce demands and emerging industry opportunities.

Oconee Fall Line Technical College is recognized for its strong enrollment momentum, collaborative campus culture, and commitment to expanding educational access and workforce opportunity throughout the region.

The Opportunity

Oconee Fall Line Technical College, a respected institution within the Technical College System of Georgia, is seeking a strategic, collaborative, and student-centered leader to serve as its next President. Serving communities across central and east Georgia, OFTC plays a critical role in workforce development, economic growth, and expanding access to high-quality technical education throughout a large and diverse service area. In addition, the College has established strong momentum through enrollment growth, industry partnerships, and deep community engagement, positioning the institution for continued advancement and regional impact.

As chief executive officer, the President will provide strategic and operational leadership for all aspects of the College. Reporting directly to the Commissioner of the Technical College System of Georgia, the President will advance the mission of OFTC while strengthening its role as a trusted educational and workforce partner throughout the region.

Serving as President of Oconee Fall Line Technical College is a unique opportunity to lead a growing, multi-campus institution with a strong reputation for collaboration, responsiveness, and workforce alignment. The next President will have the opportunity to build upon the College's positive momentum while strengthening strategic partnerships, supporting enrollment growth, and advancing innovative programs aligned with regional workforce needs.

OFTC's Dublin and Sandersville campuses each serve as important anchors within their respective communities and reflect a highly collaborative multi-campus culture. Success in this role will require a leader who is visible, adaptable, operationally strong, and capable of balancing regional priorities while empowering campus leadership and maintaining strong institutional alignment across the College.

The College serves a broad geographic territory with diverse industries, stakeholders, and workforce demands. The President must be comfortable navigating complex relationships across the region while fostering innovation, operational excellence, and consistent execution throughout the institution.
This is an opportunity to shape regional workforce development, strengthen communities, and expand educational opportunity across central and east Georgia. With the support of the Technical College System of Georgia, committed faculty and staff, and strong community partnerships, the next President will have the opportunity to lead a dynamic institution positioned for continued growth and long-term impact.

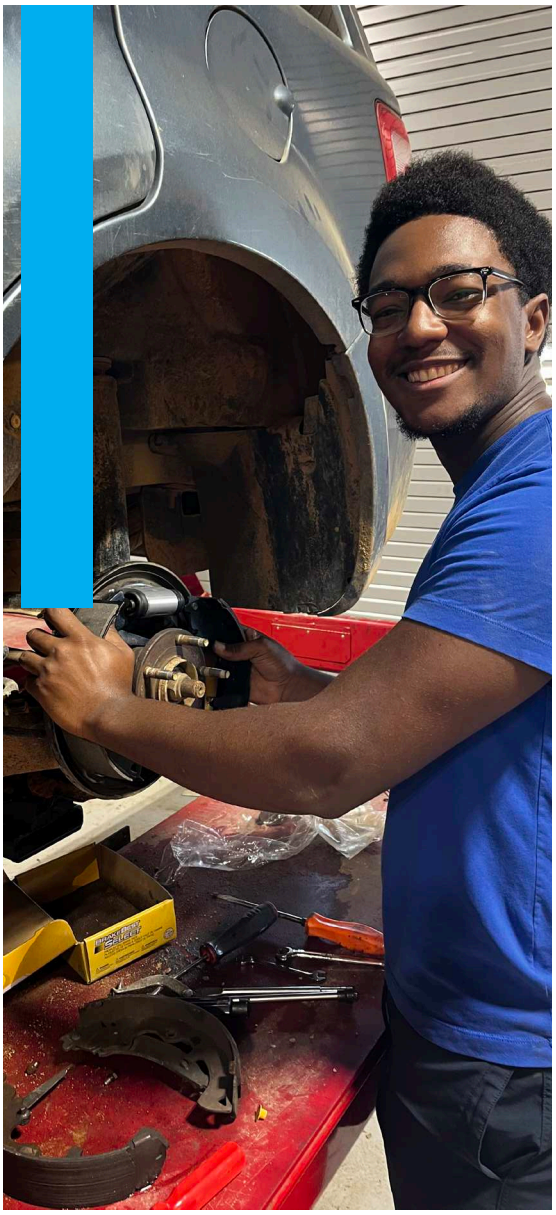

Key Responsibilities

- Strategic Leadership: Define and drive a compelling institutional vision aligned with the College's mission and regional workforce needs. Lead long-range planning initiatives and cultivate a forward-looking culture of innovation and continuous improvement.
- Educational Oversight: Ensure the delivery of high-quality academic and technical programs that are current, rigorous, and aligned with industry demands. Champion faculty development and instructional excellence.
- Student Achievement and Engagement: Foster student-centered practices that support enrollment, retention, completion, and career success. Promote equity in access and outcomes across diverse student populations.
- Campus Culture and Character: Promote a positive, inclusive, and mission-driven culture that reflects the College's values and commitment to student and employee well-being.
- Advancement and Development: Lead fundraising efforts and build strong philanthropic support through an engaged Foundation Board and strategic relationships with donors and alumni.
- Financial Management: Oversee sound budgeting, financial planning, and resource allocation to ensure institutional sustainability and accountability.
- Operational Management: Ensure effective and compliant operations across all campuses, including human resources, facilities, safety, and technology infrastructure.
- Communication and Community Relations: Serve as the College's chief ambassador, strengthening visibility and engagement with business, government, civic, and community partners.
- Governance and Board Relations: Maintain a strong, collaborative relationship with the Technical College System of Georgia and uphold the policies, procedures, and fiduciary responsibilities of system governance.

Leadership Qualities and Competencies

- Visionary Leadership: Proven ability to lead with integrity and innovation, inspiring faculty, staff, and students while fostering a culture of excellence, collaboration, and accountability.
- Strategic and Financial Acumen: Demonstrated expertise in sound fiscal stewardship, long-term planning, and aligning resources with institutional priorities and student success.
- Fundraising and Resource Development: Experience leading successful fundraising initiatives, building strategic partnerships, and cultivating an engaged and high-performing foundation board.
- Workforce Development Champion: A strong record of collaborating with industry, government, and community leaders to design and deliver high-impact workforce programs that strengthen the local and regional economy.
- Community and Civic Engagement: Skilled at building meaningful relationships with civic leaders, elected officials, educational institutions, and employers to enhance the College's relevance and reach.
- Insight into Higher Education: A forward-thinking perspective on trends, challenges, and opportunities facing technical and community colleges, with a commitment to access, equity, and innovation.
- Government and Business Relations: Adept at navigating complex political and economic landscapes, cultivating productive alliances at the state and national levels.

Education and Experience

- A master's degree from a nationally or regionally accredited college or university in business, educational leadership, or a closely related field (required).
- A minimum of five years of senior-level administrative experience in higher education.
- A doctorate and 5–10 years of progressive senior leadership experience in higher education or a related sector is strongly preferred.

Applications and Nominations

Nominations, expressions of interest, and applications will be treated with complete confidentiality. All candidates should submit a CV and letter of interest addressed to the Oconee Fall Line Technical College Presidential Search Committee to OFLTechPres@carterbaldwin.com.
