

WINE STORIES
by LE CLOS

ONE ESTATE, ONE MONTH, ONE STORY

Each month, Wine Stories shines a spotlight on a Burgundy wine estate through a curated selection of its cuvées, alongside a dedicated evening designed as a moment of connection, discovery and exchange with the people who bring the vineyards to life.

This November, Wine Stories welcomes Thibaud Clerget, at the helm of Domaine Yvon Clerget in Pommard. Heir to a winemaking legacy dating back to 1268, he represents the 28th generation of this family estate. Since taking over in 2015, he has carried forward this ancestral savoir-faire with a contemporary vision, showcasing the finesse, elegance and richness of the exceptional terroirs of Volnay and the Côte de Beaune.

THE WINE STORIES RENDEZ-VOUS

On **November 25**, Thibaud Clerget will guide guests through an evening dedicated to the wines of Domaine Yvon Clerget, paired with a specially crafted four-course menu designed to complement his cuvées.
