

PROTECTION BEYOND THE MANUFACTURER'S WARRANTY

Mechanical breakdowns can happen when you least expect them. A Powersports Protection Plan helps reduce the cost of eligible repairs for sudden and unexpected mechanical or electrical breakdowns, helping you get back to riding with confidence.

Whether you ride on the road, trail, water, or around the campground, protection is available for many eligible powersports vehicles.

- ✓ Multiple term options
- ✓ Fast claims communication

HOW IT WORKS

BREAKDOWN OCCURS

A covered component experiences a mechanical failure.

INITIATE REPAIR

Bring your vehicle to any authorized repair facility.

CLAIMS REVIEW

The repair facility contacts our claims administrator for approval.

REPAIRS COMPLETED

Once approved, repairs are completed and covered according to your contract terms.

WHAT'S COVERED

Every covered component is defined in the service agreement. No gray areas. What's covered is clearly listed.

This overview is designed for customers who want comprehensive protection for their powersports vehicle.

PROGRAM DETAILS AT A GLANCE	Deductible: \$100 per repair visit	Available Terms: 24, 36, 48, or 60 months	Comprehensive protection for eligible new and used vehicles.
------------------------------------	------------------------------------	---	--

POWERSPORTS PROTECTION PLAN

Your service agreement outlines eligible covered components in detail, helping provide confidence when unexpected covered breakdowns occur.

MECHANICAL & POWERTRAIN COMPONENTS

Coverage for critical engine components that matter.

- May help cover repair costs when eligible mechanical or electrical parts break down unexpectedly.
- Coverage may include important parts like the frame, brakes, wiring, controls, powertrain, and battery-related components, as listed in the service agreement.
- Coverage can vary based on the vehicle, coverage selected, and any add-ons purchased at the time of sale.

ELECTRICAL & ELECTRONICS

Protects many factory and dealer-installed electrical components.

- May help cover eligible electrical parts listed in your service agreement.
- Electronics coverage may help protect eligible stereo systems, speakers, and amplifiers installed by the factory or dealer when included in your agreement
- For personal watercraft, eligible GPS units, winches, and fish/depth-finders may also be covered when listed in the agreement.

OPTIONAL ADD-ON COVERAGE

Optional protection available at vehicle purchase.

- Payment Reimbursement
- Battery Coverage
- Lift Coverage
- Commercial & Farm Use
- Snorkel ATV/UTV Coverage
- Clutch Coverage

Add-ons, eligibility, and benefits vary by contract.

**PROTECTION
BUILT AROUND THE
WAY YOU RIDE.**
