

10 Reasons to Be Investor-Ready

1

Cash Waits for No One

Investors move fast. If you can't show clear, live numbers today, they'll fund someone who can.

Recurved keeps your data investor-ready 24/7.

Raising Money Is NOT The Plan — It's The Tool

*If your entire business plan ends
with "get funded," you don't have
a plan—you have hope.*

*Recurved builds plans that
survive with or without funding.*

3

During Diligence, They Will Find the Cracks

*They will audit everything.
If your projections are made up,
misaligned, or outdated, you're toast.*

*Recurved auto-updates live
forecasts against reality.*

Speed Beats Size

The faster you respond with real metrics, the stronger you look. Every day you wait = 10% less investor interest.

Recurved lets you answer with real-time dashboards in minutes, not weeks.

5

The Story is Good. Numbers Close Deals

*Investors buy into the story—but
only if the math backs it.*

*Recurved connects vision to
financial execution—live.*

"Good Enough" Financials Are Not Enough Anymore

*The bar has been raised.
Today's investor expects predictive
insights, not back-of-napkin
numbers.*

*Recurved brings predictive AI
modeling into your planning.*

7

Your Business Should Benchmark Itself Before They Do

They're comparing you to every deal on their desk. You either control the narrative—or become a cautionary tale.

*Recurved benchmarks
your metrics live against
industry data.*

Runway is the New KPI

Revenue is sexy. Runway is survival.

If you can't prove you won't die in 6 months, nobody's cutting you a check.

Recurved predicts and extends your runway.

9

Confidence Isn't Gut Feel—It's Data

*Confident founders close faster.
Confident founders show live
metrics without stuttering.*

*Recurved gives you live
numbers you can speak to
with authority.*

10

Your Future Investors Are Already Watching

*LinkedIn, press, demos & warm intros
—it's all a running audit.*

*The best time to get investor-ready?
6 months ago.*

*Recurved helps you stay
ready, so you never have to
get ready.*

Don't let funding slip through the cracks.

Recurved is built to help founders go from fragile to fundable—fast.
