E-WASTE – ELECTRONICS RECYCLING PROGRAM

What is E-Waste?

E-Waste is just about anything electricity runs through. E-waste is a popular, informal name for electronic products nearing the end of their "useful life". Computers, televisions, and other items listed below are common electronic products. Many of these products can be reused, refurbished, or recycled. Unfortunately, electronic discards are one of the fastest growing segments of our nation's waste stream. Many components or electronic equipment – including metals, plastic, and glass – can be reused or recycled, while others may present environmental hazards if not managed correctly. It is our goal at LRI to manage this ever-increasing waste efficiently and effectively.

Items below are accepted at no charge. Limit 10 items per visit

Televisions	Computer Towers	Monitors (CRTs)

E-Waste items which are Free to drop-off - Accepted as Metal Recycling

Cable Boxes Digital Cameras Stereos Fans DVD Players	VCRs Modems Fax Machines Printers Cell Phones	Telephones Machinery Transformers Mainframes Servers	Communication Equipment Military Scrap (No munitions or ordinance)	Electrical Components Electrical Systems Circuit Boards Sealed Units (Must be drained)

USED MOTOR OIL RECYCLING PROGRAM

- Use a **clean** container for draining oil from your vehicle, boat, or lawn mower. **HINT:** Use a reusable container (5 gallon maximum) with a good lid.
- Puncture and drain oil filters for 24 hours before throwing them in the garbage.
- Oil containers must be recycled, reused, or disposed of properly. Garbage rates will apply to the disposal of oil containers.
- Oil must be in a transferable container.
- Disposal limit is five (5) gallons per trip.
- **Never** mix oil with any other substance. Solvents, gas, brake fluid, antifreeze are accepted @ Hidden Valley on Tuesdays and Thursday 8am-12pm and 1pm-5pm.
- LRI will accept used oil at the following locations, free of charge:

  Purdy Transfer Center • 14515 54th Avenue NW • Gig Harbor

  Hidden Valley Transfer Station • 17925 Meridian Street East • Puyallup

RECYCLING

Recycling provides a good feedstock of materials to mills for making new products. For this reason, all recyclables must be clean and sorted as outlined below. Contaminated or unsorted materials will be thrown away instead of recycled, so it is up to you to make sure that what you put in the recycling boxes is really ready to be recycled.

PLEASE, PLASTIC BAGS ARE NOT ACCEPTED

Cardboard Corrugated cardboard and brown paper bags only. Please no waxed or plastic-coated cardboard, packing paper, Styrofoam, or other non-cardboard items. Please save space by flattening all boxes.	***Newspaper*** Anything that comes with your newspaper is okay, including fliers. Please, no junk mail, office, or school papers. Please remove all paper sacks, plastic bags, and twine before dumping.	***Magazines*** Slick, glossy magazines, catalogs, phone books and TV guides only. No bound books or paperbacks. Please remove all paper sacks and plastic bags before dumping.	***Mixed Paper*** Junk mail, office and school papers are okay. Please no plastic or carbon paper, plastic ties, Styrofoam cups or plastic-coated containers.	***Glass Bottles and Jars*** Glass bottles and jars only. Please rinse, remove lids and place separately by color into bins. Paper labels are okay. The following items are contaminants which can ruin an entire load of glass: window glass, ceramics of any kind, Pyrex or oven proof glass, mirrors, light bulbs, paper or plastic bags, dishes, drinking glasses and vases. Please throw such items away.
Aluminum Cans Please rinse and flatten. No bags, foil, hangers, or pie tins please.	***Tin Cans*** Please rinse out all food wastes and flatten. Please no gas or paint cans.	***Plastic Recycling*** We accept plastic bottles. Containers should have a base that is larger than the neck/opening of the container. For example, 2-liter soda bottles, milk jugs, laundry detergent bottles, etc. We do not collect things like yogurt containers, margarine or cool whip tubs, and the like. No plastic bags. The one exception to the bottle rule is we do not accept the smaller containers like aspirin, vitamin, or pill bottles.
