

2026 Long Island Hospitality Ball

Dear Friend:

Please support our Long Island Hospitality Ball, taking place on Monday, September 28, 2026 at the Crest Hollow Country Club by donating an item to be included in our incredible auction & raffle. Your generous support will go directly toward helping the Carol M. Baldwin Breast Cancer Research Fund.

The Long Island Hospitality Ball is an exclusive food, wine & spirits tasting event, which will feature over 100 premier restaurants, and wine and liquor companies all set within a fun--filled cocktail party atmosphere.

The Carol M. Baldwin Breast Cancer Research Fund is dedicated to advancing the fight against breast cancer by supporting both emerging and established researchers. To date, the organization has awarded more than 100 research grants totaling over \$9 million toward medical research initiatives.

If you're having a hard time thinking about what to donate, please feel free to create a themed basket using any of the following suggested categories. Wrapped baskets are always greatly appreciated and a suggested minimum value should be \$200/basket.
