23

Years old — same generation as your students

Signature *talks*

1

Extraordinary Sacrifice

Mindset + prioritization

- Why students should embrace short-term discomfort for long-term freedom and legendary results
- The story behind Emil's rejection and every work-life balance myth the culture promotes
- A time-blocking audit system designed for college students

2

The Relentless Founder Mindset

Entrepreneurship + execution

- Emil's brutal journey of constant rejection — and how to turn "no" into fuel
- The exact habits Emil used to stay persistent even in his darkest moments
- How he landed 7-figure clients as a freshman with zero connections

3

Ask and You Shall Receive \$200K

Negotiation + mindset

- A 6-step negotiation framework for making big, confident asks without feeling pushy
- The story that led to Emil turning a university into a paying client at age 19
- How he won \$200,000 in pitch competitions — replicable by any student

\$5,000
