

ABOUT ACCOUNTIFYCFO

AccountifyCFO is a fractional CFO and M&A advisory practice built to help startups and growth-stage companies bridge the gap between day-to-day operations and high-level financial strategy. We deliver senior-level financial leadership — cash flow management, forecasting, profitability analysis, financial modeling, and M&A support — without the cost of a full-time hire.

WHAT WE DO

- Fractional CFO & financial strategy
- Financial planning, forecasting & modeling
- M&A advisory (buy-side and sell-side)
- Cash flow management & profitability analysis
- SaaS metrics & unit economics (MRR, CAC, LTV, churn)
- Financial dashboards & reporting

WHO WE SERVE

Startups and growth-stage companies — with particular depth in SaaS, hosting, and domain businesses — that need expert CFO support but aren't ready for a full-time hire.
