Work Experience:

Burlington - Stock Associate

June 2026 - Current

- Received, organized, and stocked incoming merchandise shipments while maintaining an efficient and accurate inventory process.
- Collaborated with team members to replenish sales floor inventory, maintain store organization, and support a positive customer experience.

Snapology - Teacher

October 2025 - December 2025

- Led engaging STEM-based lessons and hands-on activities for students in grades 1–5, fostering creativity, problem-solving, and teamwork.
- Managed classroom activities, provided individualized support, and created a positive learning environment to encourage student participation and growth.

Target - Fulfillment Associate

July 2025- September 2025

- Coordinated and prioritized high volumes of online orders with accuracy and speed, ensuring a positive customer experience and timely delivery.
- Applied problem-solving skills to resolve fulfillment issues and adapt quickly to changing demands in a fast-paced retail environment.

Preptech Foundation - Graphic Designer

June 2023 - March 2024

- Designed logos and website images to enhance visuals.
- Driven by a passion for community service and artistic expression, I excelled at PrepTech and other organizations by leveraging my artistic skills and leadership qualities
