

Radiant

2 2 2

A step up in size, this home offers a larger internal living area, big island kitchen and butler’s pantry, with a defined rear vergola for relaxed outdoor living. Ideal for retirees who want a little more room to entertain or unwind.

Total	178m ²
Internal	122m ²
Patio	14m ²
Porch	6m ²
Garage	36m ²

Explore our Radiant home design

At Sovereign Rise, each home is thoughtfully designed as a complete package — combining floorplan, facade and colour palette.

Facade collection

The Radiant is offered in a range of five facade styles, each paired with one of three complementary colour schemes; White Haven, Coastal Mist and Warm Dune.

Availability of each combination varies by release. Please refer to the Release Plan to find your preferred option.

To find your home:

- 1 Explore the floorplan that best suits your lifestyle
- 2 Identify the facade style and colour scheme that resonates with you
- 3 Review the current Release Plan to see which combinations are available now

If your preferred combination isn't currently available, our team can guide you through upcoming releases or register your interest for future opportunities. This approach ensures a cohesive and beautifully balanced streetscape across the community.
