

Backup for the person in the seat.

A compliance officer is in the role and the program is theirs. We are the senior read they can call before a decision, and the second pair of eyes on what goes to the board.

START HERE

Single session • \$750

One 90-minute working session with a co-founder on your most pressing issue.

ADVISORY RETAINER

From \$7,500 / month

- Working sessions through the month, at a cadence set by what is happening
- Reachable in between when something moves

WHAT ADVISORY CLIENTS BRING US

- Reality checks on strategy, structure, or a stalled initiative
- Coaching compliance leaders and their teams
- Compliance strategy shifts
- Polishing a leadership or board report
- Rebuilding a process that stopped working
- Aligning across functions (Legal, HR, Quality, IT)

OUR CO-FOUNDERS

Lisa Estrada

Chief Compliance Officer for major health systems LifePoint Health and Fresenius Medical Care; General Counsel and Chief Administrative Officer for ScionHealth. Previous experience as a regulatory and enforcement lawyer (Arent Fox, Foley & Lardner).

Annie Miyazaki-Grant

Chief Compliance and Privacy Officer at VNS Health, a \$3B integrated provider and plan, leading compliance, privacy, risk and internal audit. Previous experience as a regulatory and enforcement attorney (Arent Fox).
