SUMMER WRAPPED UP

Over the summer, students engaged in both new and returning activities. Some activities, such as cosmetology, were a hit over the summer and will be returning this fall.

Arts & Crafts yielded a variety of student work that was used to decorate the walls and doorways of the office.

Things to Know encouraged students to expand their perspectives and explore new ways of thinking.

Gaming Club gave students an opportunity to get up and move while playing Just Dance.

We brought the summer to a close with a final trip to Liberty Science Center.
