

EYE NUTRITION

Vision+

Give your eyes
a place in your plan.*

Vision+ brings lutein and zeaxanthin together with antioxidant vitamins C and E, zinc and copper. Six ingredients in a focused eye-nutrition formula.

THE DETAILS THAT MATTER

Two familiar carotenoids

Lutein and zeaxanthin are pigments found in the macula, the central part of the retina.

Antioxidant nutrition*

Vitamins C and E help protect cells from oxidative stress.*

A transparent formula

The label identifies the amounts and forms of all six active ingredients.

For a vision routine that fits your needs, discuss the formula and serving directions with your eye-care professional.
