HOW WE MANAGE YOUR CONSENT

Our cookie preferences and user consents are managed through the Cookiebot Consent Management Platform (CMP).

Our cookie preferences and user consents are managed through the Cookiebot Consent Management Platform (CMP).

As soon as you click on “Save preferences” or “Accept All”, you consent to us using the categories of cookies and plug-ins you selected. Non-essential cookies (such as analytical or marketing trackers) will not be placed on your device unless you actively give your consent first.

CONSENT

When you visit our website for the first time, we will show you a pop-up cookie banner powered by iubenda with an explanation about cookies. As soon as you click on "Save preferences", you consent to us using the categories of cookies and plug-ins you selected in the pop-up, as described in this Cookie Policy.

Joint Responsibility: In certain instances, entities within the SFORS group may process your data jointly (as "**Joint Controllers**") for centralized purposes including, but not limited to, global IT infrastructure management, or group-wide compliance. This cross-border transfer is protected undersigned EU Standard Contractual Clauses (Module 1).

HOW TO BLOCK COOKIES.

You can disable the use of cookies via your internet browser and automatically or manually delete cookies. You can also specify that certain cookies may not be placed or to change the settings of your internet browser so that you receive a message each time a cookie is placed.

Please note that our website may not work properly if all cookies are disabled. If you do delete the cookies in your browser, they will be placed again after your consent when you visit our website again.
