EXPERIENCE

LOCKTON JAN 2026 – PRESENT

At Lockton I ensure visual consistency across diverse digital and print media. Acting as a brand guardian, I'm a collaborative problem-solver guaranteeing all creative outputs align perfectly with Lockton's core brand identity and corporate standards.

SELF-EMPLOYED MAY 2025 – DEC 2025

I was employed at Acrylicize as a Creative Artworker as part of the production team. I was also designing websites using Figma and improving my skills in UX.

BDP NOV 2018 – APR 2025

At BDP my role included branding, design-for-print, digital design, wayfinding and environmental graphics. I was also involved with the prestigious UK Parliament Restoration & Renewal Project, creating reports, infographics and diagrams.

AIR DESIGN FEB 2013 – OCT 2018

My role included branding, detailed 3D visuals, layout, wayfinding, high-quality maps and touchscreen design. I expanded my skillset considerably.

SELF-EMPLOYED OCT 2012 – JAN 2013

During this period I was working with several companies.

OPUS DESIGN CONSULTANTS AUG 2007 – SEPT 2012

Working across a number of sectors, my duties in this role included branding, leaflets, stationery, exhibitions, web design and brand application.

SELF-EMPLOYED FEB 2007 – JULY 2007

PYOTT DESIGN CONSULTANTS OCT 2005 – JAN 2007

In a short period in a busy studio environment, I became quickly proficient with design software and processes.

I have completed two courses at the UX Design Institute in UX and UI.

EDUCATION

CODECADEMY 2025

I completed the UX Designer Career Path on Codecademy.

UX DESIGN INSTITUTE 2023

I undertook the 'Professional Diploma in UX Design' and the 'Professional Certificate in UI Design' courses at the UX Design Institute.
