Voluntary Building Fund and Scholarship Fund Donations (Fully Tax Deductible)

All parents and carers are invited to support KIN College's Vision and Mission by making **voluntary, fully tax-deductible contributions** to the KIN College Building Fund and/or the KIN College Scholarship Fund.

A suggested contribution of **\$300 per term** to the Building Fund helps us develop, enhance and maintain our learning spaces.

This investment supports the creation of calm, purposeful environments for current students and for generations to come.

A gift to the Scholarship Fund provides more students with the opportunity to experience an extraordinary KIN College education one that is personalised, inclusive and designed to help every learner thrive.

Voluntary donation options are outlined in the annual notification of fees. Every contribution, of any size, strengthens our community and helps foster each student's potential for greatness.
