

*The Composites Solution Partner*

July 1, 2025

Dear Supplier,

I am pleased to announce that earlier today, the deal between Teijin Limited and Aurelius closed, officially transferring ownership of Teijin Automotive to Aurelius. As communicated previously, this sale includes all Teijin Automotive facilities in the United States and Mexico.

Our new name is CSP, with our tagline being "The Composites Solution Partner". "CSP" is not an acronym or abbreviation of anything. At this time, you are being informed of the "rebranding" from Teijin Automotive Technologies to CSP. The legal name change will be forthcoming.

Our new logo is featured at the top of this page. Our new website, <https://www.thecsp.com>, launches later today. New email addresses for your contact(s) will be:

firstname.lastname@thecsp.com, effective July 2, 2025.

Your CSP contact will reach out regarding business-relevant information as soon as it is available.

We are committed to making this transaction as seamless as possible. You will continue to collaborate with the same people within the CSP organization as you have in the past, and you can be assured that no changes to processes or procedures are planned in the near term.

We appreciate your continued support of our organization, as it is a vital part of our growth. We look forward to a long and mutually beneficial relationship. If you have any questions regarding this acquisition, please feel free to contact me directly.

Sincerely,

John Hiovich

VP Procurement
