# CARRIAGE

## COLLECTION

**C.H.I.**   
a **NUCOR** company

The Quality Garage Door.™

---

## Enduring Style. Exceptional Quality.

---

For the perfect addition to your home's façade, explore the Carriage Collection from C.H.I. Overhead Doors.

The dimension and texture of carriage house doors can evoke an old-world aesthetic or elevate modern home design.

Available in wood, steel, fiberglass, or Accents Woodtones, overlay doors deliver curb appeal, thermal performance, and dependable operation.

**Steel Overlay Carriage House** shown in design 30 in white with optional stockton window designs, and plain glass.

# Find Your Perfect Match

The classic appearance of carriage house doors available in a variety of materials and designs.

## SHORELINE ACCENTS OVERLAY

These Accents Woodtones doors offer the classic appearance and texture of real wood overlays without the recurring maintenance.

## OVERLAY CARRIAGE HOUSE

Featuring traditional designs and construction, these doors are available in steel, wood, and fiberglass.

### COMPLIANCE WITH THE DASMA THERMAL PERFORMANCE PROGRAM

The DASMA Thermal Performance Verification (TPV) Program certifies and verifies the thermal performance ratings of sectional door products using third-party testing and inspection. The U-factor testing standard for garage doors, ANSI/DASMA 105, provides repeatable and reproducible results. U-factor tests an installed assembly to assign a value that accounts for section joints and perimeter seal.

Models in this program will be identified by this icon

| Warranty <sup>5</sup>                                                     | Limited Lifetime Warranty                                                         |                                                                                   |

<sup>1</sup> Refer to your local C.H.I. Dealer for exact color match. <sup>2</sup> Lower steel gauge [ga.] number indicates stronger steel. <sup>3</sup> Model number indicates design and window style. <sup>4</sup> Overlay boards are always white for a 2-tone design. <sup>5</sup> Extreme heat and sun exposure on black overlay doors may cause accelerated degradation of the overlay door and is not recommended for extreme heat and sun areas. Such exposure will be excluded from the product warranty. For additional details, contact your local C.H.I. dealer.

### Section Detail

XPS composite overlay face boards are laminated to wood-grained steel sections using high performance adhesives, then factory finished in one or two-toned options.
