

ACTIVE PLAY

Fall 2026

Escuela Key Enrichment and AP Aftercare Program

OFFERINGS & CLASS DATES

Starting Fall 2026, families will have the option to sign up for one-hour enrichment programs and AP aftercare.

Families may choose from the following options:

- **One-Hour Enrichment (4:00–5:00 p.m.)** – Student dismissal is at 5:00 p.m.
- **One-Hour Enrichment (4:00–5:00 pm) + AP Aftercare (5:00 - 6:00 p.m.)** – Students attend enrichment followed by AP Aftercare. Dismissal is at 6:00 p.m.

These flexible options allow families to choose the schedule that best meets their needs

Active Play is also offering 20% off to families enrolled in programming 3 or more days per week

CALENDAR

Our fall season goes from August 31st to October 30th, operating every day APS has a full day of school (please note that there is no enrichment on early release days).

* HOL=Holiday; ER=Early Release; PTC=Parent-Teacher Conference Day

PRICING

Active Play is offering discounted pricing and sibling discounts for all Active Play programs.*

FIRST-HOUR PRICING (4:00-5:00 PROGRAMS)

Enrollment	Cost
1-2 Classes Per Week	Full price
3 or More Classes Per Week	20% Off *

AP AFTERCARE OPTION (5:00 PM – 6:00 PM)

Families may extend their child's day until 6:00 PM for an additional fee:

- \$15 per day per child
- \$12 per day per child for families with multiple children enrolled

Students will participate in different station activities and may choose from a variety of indoor and outdoor options, including arts and crafts, sports, board games, creative projects, and group activities.

REGISTRATION PLATFORM AND TIMELINE

- Registration opens at 9 am EST on Friday, August 21st, 2026 and closes at 11:59 pm EST on Friday, August 27th, 2026
- Registration is on a first-come, first-serve basis through TeamSnap
- The link is available on the Active Play website here:
<https://www.activeplayllc.com/escuelakeyelementary>
- All questions and feedback should be directed to EscuelaKey@ActivePlayLLC.com

PICK- UP, SNACK AND DISMISSAL

- Students will be escorted to the library for attendance by School Safety Patrols immediately following dismissal (3:50 pm)
- At 4:00 pm, students will be escorted to their assigned classroom by an Active Play instructor to begin the enrichment.
- Students will be allowed to eat a **nut-free snack brought from home** for the first 5 minutes of class. We will not provide snacks.
- At 5:00 PM, students going to AP Aftercare or Extended Day will be escorted there by Active Play staff. Students going home will be brought to parent pick-up at Door #1.
- At 6:00 PM, all remaining students in Active Play aftercare will be brought to parent pick-up at Door #1.

** Discount eligibility will be verified by Active Play following registration completion*

SPORT & MOVEMENT

Play that builds confidence, coordination, and teamwork

BASKETBALL

Through games and team challenges such as bubble, knockout, and traditional scrimmages, students practice the many fundamentals of basketball.

FLOOR HOCKEY

Students practice stick handling, passing, and shooting through drills and scrimmages designed for safe, active play.

SOCCER

A team-based soccer class where students learn the game through small-sided matches, emphasizing communication, teamwork, and having fun together on the field.

DANCE

Choreography and rhythm exercises set to music build timing and coordination through guided routines and short combinations forming complete dances.

CHEERLEADING

Chants, arm motions, jumps, and short cheer routines are practiced during guided rehearsals.

STEM & STRATEGY

Problem-solving through science, games, and logic

ADVANCED LEGOS

Themed LEGO builds combine guided challenges with open-ended construction with regular opportunities to take home lego sets!

THE 24 CHALLENGE - MATH COMPETITION

Looking for a way to help your child build math skills while having fun? Join our 24 Challenge Program! This fast-paced and interactive class is perfect for students who love a challenge and want to improve their math fluency in an exciting way. "Offered in a tournament-style competition, students compete using addition, subtraction, multiplication, or division to develop solutions to problems that equal 24." More info [here](#)

(YOUNG) MAD SCIENTIST

Each week, students interact with hands-on experiments, exploring reactions, motion, and basic STEM concepts!

CHESS

Students learn chess fundamentals including piece movement, opening principles, tactics, and endgames through guided instruction and structured match play.

BUILDERS CORNER

Builders Corner is a hands-on after-school program where students explore creativity through building and imaginative play. Materials include LEGOs, Magna-Tiles, and Hot Wheels. Students use engineering thinking while having fun creating, designing, and exploring.

STEM & STRATEGY

Problem-solving through science, games, and logic

BEGINNER BOARD GAMES

Get ready to play, learn, and have fun! In Beginner Board Game Club, students will be introduced to a variety of classic and age-appropriate games that help build important skills such as counting, taking turns, following directions, problem-solving, and good sportsmanship.

Throughout the session, students will enjoy games such as *Uno*, *Chutes and Ladders*, *Candy Land*, *Connect 4*, *Guess Who?*, and other fun favorites designed for young learners. Each week, children will practice friendly competition while developing social skills, patience, and strategic thinking in a supportive and engaging environment.

HOT WHEELS

Students design tracks, test cars, and collaborate on challenges using Hot Wheels to explore motion, creativity, and problem-solving through play.

ART & MUSIC

Exploring creativity through making and design

ART CLUB

Art Club is a creative space where students can explore a variety of art techniques and materials. Throughout the session, students will experiment with drawing, painting, sculpture, collage, mixed media, and more. Through each project, students will learn about history and the world around them while exploring their own creativity and self-expression

JEWELRY MAKING

Friends work alongside one another to create bracelets, necklaces, and charms are designed using beads and basic tools with a focus on patterning and assembly.

PRACTICAL SKILLS & LANGUAGE

From cooking and debating to growing businesses

GARDENING AND OUTDOOR ADVENTURE

Students engage in planting, watering, identifying plants, and observing growth cycles alongside their friends, working to create their very own school garden!

COOKING

Students explore global cuisines by preparing simple recipes together, sharing roles, flavors, and traditions through hands-on, teacher-led cooking experiences.
