SPORT & MOVEMENT

Play that builds confidence, coordination, and teamwork

YOGA

Students practice beginner-friendly yoga poses, stretching, and breathing exercises through fun, guided activities that build balance, flexibility, coordination, and mindfulness.

AROUND THE WORLD: SPORTS & GAMES W/ MR. VALENCIA

A sports-themed enrichment program where students learn about different sports and cultures through hands-on activities, sports trivia, creative projects, teamwork challenges, and some simple, controlled movement activities. **This class is taught in Spanish.**

GYMNASTICS

Movement stations include beams, mats, and obstacle courses, with friendly individual and team competitions emphasizing effort and respect.

DANCE

Choreography and rhythm exercises set to music build timing and coordination through guided routines and short combinations forming complete dances.

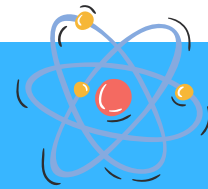

KARATE

Students learn basic karate techniques, including punches, kicks, blocks, and stances, through guided drills and fun activities that build coordination, confidence, focus, discipline, and respect.

STEM & STRATEGY

Problem-solving through science, games, and logic

CHESS

Students learn chess fundamentals including piece movement, opening principles, tactics, and endgames through guided instruction and structured match play.

LITTLE BUILDERS

Little Builders is a hands-on after-school program where students explore creativity through building and imaginative play. Materials include LEGOs, Magna-Tiles, and Hot Wheels. Students use engineering thinking while having fun creating, designing, and exploring.

(YOUNG) MAD SCIENTIST

Each week, students interact with hands-on experiments, exploring reactions, motion, and basic STEM concepts!

THINK TANK W/ MR. MIKEY

Each week the students will be given a task or challenge to complete which are fun, memorable, and make students excited to build, experiment, and solve problems together as a group.

ART & MUSIC

Exploring creativity through making and design

CREATIVE WRITING W/ MR. P!

Students will practice their best writing in a fun and collaborative environment designed to help them follow their passions. Each week will explore a different element of storytelling and will include a fun and engaging lesson aligned with Virginia Standards of Learning. Students will apply these lessons to create a number of projects under the guidance of one of Escuela Key's most beloved teachers!

UKULELE CLUB W/ SR. MENDEZ!

The Key Ukulele Club offers students a joyful introduction to music through singing, ensemble playing, movement, creativity, and the ukulele. Designed for beginners, students develop proper playing technique, steady beat, basic chords, strumming patterns, and simple songs in a welcoming environment. The program concludes with an informal family sharing performance. **This class is taught in Spanish.**

COMIC CREATIONS

Students develop stories, characters, and settings while creating original comics, focusing on panels, visual storytelling, and finished comic pages.

LET'S PRETEND W/ MS. RYAN!

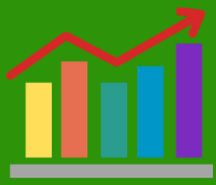

This is an acting improvisation class for students in Grades 2 and 3. Within a safe and supportive space, students will build many important skills such as: confidence, active listening, communication, and academic and cognitive skills while thinking on their feet, moving their bodies, working together and JUST HAVING FUN!

MUSICAL THEATRE

Group musical numbers combine singing, acting scenes, and choreography during rehearsals.

PRACTICAL SKILLS & LANGUAGE

From cooking and debating to growing businesses

ECO ADVENTURERS WITH MS. KILMER

Students will learn about the ecosystem of our schoolyard & school resource use through hands-on indoor & outdoor learning games, activities, crafts, & gardening.

NEWS CLUB

Articles are written, interviews conducted, and school news content produced through weekly group work, culminating in your school's very own student-led paper!

COOKING

Students explore global cuisines by preparing simple recipes together, sharing roles, flavors, and traditions through hands-on, teacher-led cooking experiences.

SAY IT AIN'T SEW! SEWING

Sewing kits are used to practice threading, knotting, and basic hand-stitching. Our young sewers learn all the necessary skills to complete future projects at home.
