Menu Package Styles

These menus have been thoughtfully curated to offer a well-balanced selection of dishes, allowing you and your guests to enjoy a variety of the best that Cibo Wine Bar has to offer. For all group bookings we require pre-selecting a menu as it allows for an elevated and seamless dining experience. Menu items may be substituted upon request; however, all substitutions must be reviewed and confirmed in advance by your event coordinator. Please note that changes to the menu may be subject to a price increase as individual dishes are not of equal value.

Cocktail Reception

Our Cocktail Reception service offers a selection of passed and stationed hors d'oeuvres served throughout the event, allowing guests to mingle, socialize, and enjoy a variety of dishes at their own pace. This style of service creates a more relaxed and social dining experience where guests can move throughout the space and enjoy the company of others.
