POURING COLOUR INTO EVERY EVENT

Some nights start with dinner and end on the dance floor.
In the heart of West End, Flying Colours pairs local bites, seasonal cocktails and a soundtrack of your new favourite records. Our space is dripping with neighbourhood hospitality in a space that feels equal parts local bar and hidden discovery. From lengthy lunches to late nights, this is where good food, good music and good company come together.

Long lunches become cocktail parties. Speeches roll into DJ sets. Conversations stretch late into the night without ever leaving the space. With AV facilities, microphone, projector and the freedom to play your own music, the Mezzanine comfortably hosts everything from milestone birthdays and engagements to corporate events and weddings.

THE NAUGHTY CORNER

STREET SIDE

MINIMUM SPEND: $1,500 CAPACITY: 20 SEATED | 30 COCKTAIL

Street Side is Flying Colours' own slice of the urban garden, a semi-private space set aside exclusively for your group. With both seated and standing options, it's the spot for a chat over a cocktail while you take in the neighbourhood.

Casual catch ups become full blown celebrations. Conversations spill out under the open sky, with the music and atmosphere of the main venue drifting in just enough to keep the energy up, all while your group keeps its own space to spread out and enjoy. It's the kind of setting that suits birthdays, work drinks, and social gatherings that don't need a fixed script.
