

Safety Apps

Emergency +

Helps you call Triple Zero (000) quickly and communicates your location to emergency call-takers.

Im Safe

Alerts trusted contacts using SOS Sirens, record incidents of abuse, provides contact for support services, connects with experts, fake call feature.

Daisy

Connects you or your family experiencing FDV with local support services across the country.

Sunny

For you if you have a disability and are affected by FDV. Helps tell your story, understand what has happened, know rights and get help.

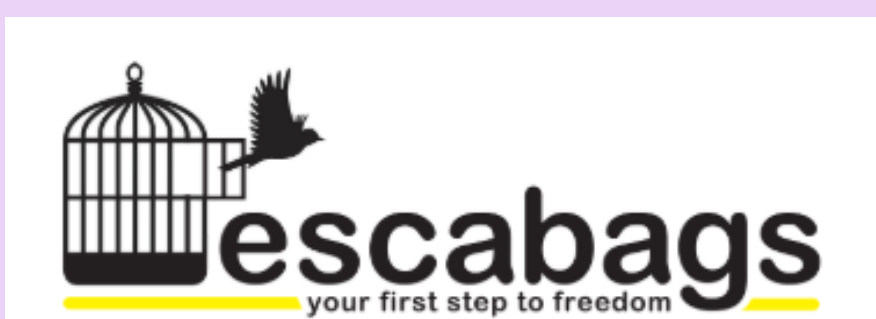

Online Services

The finder can connect you with services across Australia providing housing, everyday needs such as clothing and food, FDV support, counselling and much more.

Services finder, advocacy platform, information portal and more.

Alleviate the immediate trauma of FDV by providing free and effective access to 'Escape Bags' in communities, while connecting you with resources and support services.

Interactive website for someone experiencing FDV: includes step by step guides to safety, service directory, resources, assessment tools, and information.
