

The Market Leader in Medicare Plan Comparison Tools

EnlivenHealth Match targets high-value patients with a 'win-win' plan that benefits them and drives profits to your pharmacy, while also quickly facilitating support for patients who ask you to help them with Medicare plan selection.

Performing plan comparisons has been proven to increase retention rates among Medicare patients, who drive prescription volume and frequently utilize their pharmacy's clinical services.

Benefits That Transform Your Business

Build Patient Relationships & Improve Retention

Lower out-of-pocket costs for high-value Medicare patients while ensuring they can continue seeing the providers they trust.

Mitigate Administrative Fees & Reimbursements

Instantly see how reimbursement rates and administrative fees differ by health plan, giving you more insight into your patient's plan options.

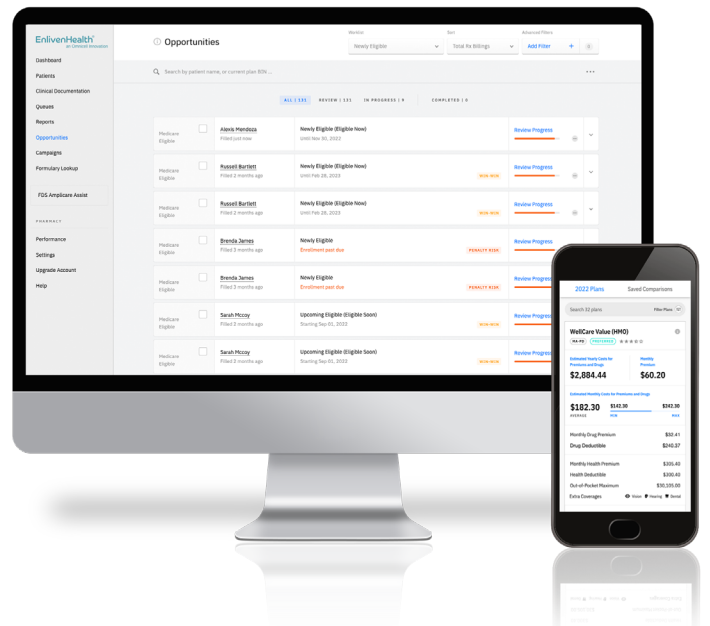

Increase Engagement with High-Value Patients

Reach out to your Medicare-eligible patients with Match's built-in automated messaging platform to encourage appointment scheduling, inform them of network changes, and more.

How it works

An average pharmacy that uses Match has:

EnlivenHealth, a division of Omnicell, enables pharmacies with connected patient engagement, clinical, and financial workflows, resulting in an elevated patient-pharmacy experience, exceptional patient care, and enhanced financial performance. We advocate for a world where pharmacy teams stand at the forefront of healthcare, empowering them to practice at the top of their licenses and aiding them with their commitment to patient care, collaboration, and continuous learning.
