The VR Luxe Fleet Guide

From entry-level jet to ultra-long range—cabins, ranges, and capacities at a glance.

VR Luxe connects you to the world's most exclusive private jet fleet through a global network of elite operators and advisors. Whether for business or leisure, we match every journey to the right aircraft — balancing range, cabin comfort, and capacity so each flight is seamless, private, and effortless.

— The fleet at a glance

CATEGORY	BEST SUITED FOR	CABIN PROFILE
Very Light Jets	Short regional trips; small groups & business travellers	Compact, efficient cabin
Light Jets	Short-haul travel with greater range	Enhanced comfort, more baggage
Mid-Size Jets	Regional & international travel	Balanced range, comfort & performance
Heavy Jets	Long-range performance	Spacious cabins, refined amenities
Ultra-Long Range	Global, non-stop connectivity	12–19 passengers; private living areas
