Behavior Expectations

At our school, we follow the BRAVE motto as a foundation for creating a safe, respectful, and inclusive learning environment. Each letter of BRAVE represents a core value that we encourage all students to embody every day:

- B – Be Safe: We expect all students to ensure the safety of themselves and others. This includes keeping hands to ourselves and using kind, respectful language.
- R – Respectful: We demonstrate respect through both our words and actions—toward peers, staff, and our school community.
- A – Accountable: We take responsibility for our choices and are committed to learning from our mistakes in order to grow and improve.
- V – Versatile: We adapt to different situations with a positive mindset and celebrate the diverse backgrounds, strengths, and perspectives of those around us.
- E – Engaged: We are active participants in our education—staying focused, showing effort, and taking pride in doing our best.

By living out the BRAVE motto, we help make our school a place where everyone feels valued, supported, and ready to learn.
