- 1x Blue - U
- 2x White - N, O

3. Mounting Information

- The antenna must be mounted with minimum 40mm space from any metallic surface.
- Avoid mounting the antenna in an upside-down position.

FAKRA Connection procedure.

- Press the FAKRA connector firmly until an audible click is heard which indicates it has been locked in place.
- Check the connection by gently pulling on the connector without touching the release tabs.
- To disconnect, press the release tabs before pulling the connector straight out.
