

# MOYAGI

味のシンフォニー

A SYMPHONY OF FLAVORS

## Welcome to Moyagi

Moyagi offers contemporary Japanese and Far-Eastern cuisine and haute mixology for aperitifs, dinner, and late-night drinks. The restaurant curates a unique and exciting sharing menu, providing an authentic yet modern twist on traditional flavors. The menu features bold, intense flavors in a comfortable and simple style.

The dining experience is immersive and resonates on an intimate level, where pulsating music, expertly crafted dishes and cocktails collide with private room karaoke.

Enjoy our signature Yuzu Margarita or the iconic Shiroi in a seductive aesthetic with the high-energy vibe of an intimate 1920's Japanese boutique club.

The space's versatility makes it uniquely suited for a wide range of gatherings. From milestone birthdays to team-building events and brand activations to intimate reunions, Moyagi adapts to the occasion while maintaining its distinct character. For corporate clients, Moyagi offers something few venues can: the ability to disarm hierarchy, ignite creativity, and foster cohesion in a setting that feels both high-end and effortless. The shared act of singing creates a level playing field that encourages openness, dissolves formalities, and reinforces trust.

Central to the Moyagi philosophy is the belief that the most meaningful moments come from conscious disconnection in an age of hyper-connectivity. Step away from digital noise and into a beautifully crafted world of music, flavor, and atmosphere, where you can experience something rare—something real.

Moyagi is not simply a place to sing. It is a space to feel, connect, and escape—if only for a night—into a world that feels entirely your own.
