ATTACHMENT TO DISCLOSURE OF IMPORTANT INFORMATION ABOUT BUSINESS OPPORTUNITY

THIS ATTACHMENT TO DISCLOSURE OF IMPORTANT INFORMATION ABOUT BUSINESS OPPORTUNITY is provided by 24/7 Distribution Group LLC, a CA Limited Liability Company ("Agent"), for you ("Owner") and your future e-commerce company ("Company") (Agent, Company, and Owner are together the "Parties").

WHEREAS, Agent provides management services for operators of Amazon e-commerce stores that utilize Amazon's fulfillment services and may be willing to provide these services to Company pursuant to the terms and conditions set forth in the Parties' Amazon FBA Store Management Services Agreement ("Agreement").

WHEREAS, the U.S. Federal Trade Commission's ("FTC") Business Opportunity Rule (16 C.F.R Part 437) requires business opportunity sellers to provide prospective buyers with specific information about their business offering.

WHEREAS, Agent provides Owner and Company with specific information about its business offering, and strongly recommends Owner and Company take seven (7) calendar days or longer[1] to review all of Agent's disclosures before executing an Agreement or remitting any payment to Agent.

NOW, THEREFORE, Agent provides Owner and Company with the following information as required under the Business Opportunity Rule:

1. Legal Actions.

a. N/A

[1] Before executing an Agreement or making a payment to Agent, Agent recommends that an Owner or Company located in (1) Connecticut, Iowa, Maryland, New Hampshire, Oklahoma, South Dakota, or Utah take ten business days to review all of Agent's disclosures, (2) Alaska or Texas take ten calendar days to review all of Agent's disclosures, or (3) Illinois take fourteen calendar days to review all of Agent's disclosures.

[2] "Store" means the type of e-commerce store that Owner or Company establishes or will establish with Amazon that is the subject of an Agreement.

2. Refund Policies.

a. Initial Payment.[3] Owner and Company's one-time Initial Payment to Agent is non-refundable.

b. Store Buyback / Profit Split Waiver. Provided that the Customer acts in good faith throughout the duration of the program, communicates any questions or concerns to 24/7 Distribution Group LLC in a timely manner, and provides all information reasonably requested to facilitate storefront operations — including, but not limited to, credit card information, payoff status, authentication codes, documentation, and identification — the Customer must also schedule and attend all kickoff and onboarding calls, maintain a minimum of $15,000 per month in available capital per storefront for inventory purchases throughout the duration of the two (2) year agreement, maintain zero failed payments and avoid delinquency with dedicated support specialists, and pay for all required software and operational tools associated with the storefront services under the Service. Upon satisfaction of these conditions, 24/7 Distribution Group LLC agrees to waive its portion of the profit splits until the storefront has recouped the Customer's initial service fee paid under this Agreement.

[3] "Initial Payment" means the one-time payment by Owner or Company to Agent, which is due simultaneously with the execution of an Agreement.

[4] "Initial Term" means a period of two (2) years beginning on the Agreement's effective date of execution.

3. Earnings Claims.

In addition to these disclosures, Agent has provided Owner and Company with a separate document titled “Earnings Claim Statement Required By Law” that contains the earnings claims made by Agent. Agent strongly encourages Owner and Company to review Agent’s Earnings Claims Statement before executing an Amazon FBA Store Management Services Agreement or making a payment to Agent.

EARNINGS CLAIM STATEMENT REQUIRED BY LAW

This Earnings Claim Statement is provided by 24/7 Distribution Group LLC on behalf of Agent as of July 2026.

Agent provides that for the period beginning June 1, 2023, and ending June 30, 2024 (the “Period”), the average profit of Agent’s active clients was 14.5%. Agent’s “active clients” is comprised of 280 out of 302 total clients who have a complete sales history reflected in their P&L; statements within the Period. 242 out of Agent’s 302 active clients (approximately 80%) achieved this 14.5% result or better, with the highest profit being 124%, and the lowest result being 0%[2]. For the avoidance of doubt, Initial Payments are not factored into Agent’s earnings claims calculations.

An active client’s Net Profit Margin depends on several factors, including the margin on Product purchased for their Store, the Product Capital[3] available for the daily operations of their Store, and the time it takes to set up their Store and have it reach its full operating potential and desired level of Product purchasing power, which may take as long as one year.

To the extent any of Agent’s active clients do not have a complete sales history within the Period, this may be attributable to the date an active client executed an Agreement with Agent, when an active client fulfilled their first order for Product, whether an active client made inconsistent orders for Product, or whether Amazon required an active client to reverify their account information in compliance with the INFORM Consumer Act[4] or for other reasons.

THE INFORMATION SUBSTANTIATING AGENT’S EARNINGS CLAIMS MAY BE PROVIDED UPON REQUEST. THE EARNINGS OF AGENT’S CLIENTS MAY DIFFER FROM OWNER OR COMPANY’S SPECIFIC CIRCUMSTANCES DUE TO LOCATION, MARKET CONDITIONS, AND/OR OTHER INDIVIDUAL FACTORS. AGENT MAKES NO REPRESENTATIONS ABOUT THE SPECIFIC PROFITABILITY OF OWNER OR COMPANY’S STORE, AND OWNER OR COMPANY ACKNOWLEDGES THAT ANY INFORMATION OR DEMONSTRATIONS PROVIDED BY AGENT REGARDING THIRD PARTY PROFITABILITY ARE PURELY DEMONSTRATIVE AND DO NOT CONSTITUTE A GUARANTEE, REPRESENTATION, WARRANTY, OR OTHERWISE REGARDING THE PROFITABILITY OF OWNER OR COMPANY’S STORE. MOREOVER, REVIEWS, TESTIMONIALS, ENDORSEMENTS, OR SUCCESS STORIES FEATURED IN CONNECTION WITH AGENT DO NOT GUARANTEE RESULTS, AND INDIVIDUAL RESULTS MAY VARY. OWNER OR COMPANY SHOULD CONSULT A QUALIFIED PROFESSIONAL BEFORE MAKING ANY LEGAL, FINANCIAL, OR BUSINESS DECISIONS BASED ON INFORMATION PROVIDED IN CONNECTION WITH AGENT, INCLUDING, BUT NOT LIMITED TO, WHETHER OR NOT OWNER OR COMPANY SHOULD ENTER INTO THE BUSINESS OPPORTUNITY OFFERED BY AGENT. AGENT’S EARNINGS CLAIMS ARE SUBJECT TO CHANGE TO ACCURATELY REFLECT CURRENT MARKET CONDITIONS.

[1] The definitions provided in the “Attachment to Disclosure of Important Information About Business Opportunity” are incorporated herein by reference.

[2] This client did not replenish their capital contribution within the twelve-month Period.

[3] “Product Capital” means the amount of cash or other immediately available credit or other funds to be maintained by Company at all times.
