UTA Transit Exhibit Set to Open at the Children's Museum

SALT LAKE CITY, Utah, April 4, 2026

SALT LAKE CITY, UT – April 4, 2026 – Discovery Gateway Children's Museum will unveil its new UTA Transit Exhibit on April 4, 2026, with a public grand opening at 11:00 a.m. in partnership with Utah Transit Authority.

The opening event will include a ribbon cutting and remarks from Kathleen Bodenlos, CEO of Discovery Gateway Children's Museum and Jay Fox, Executive Director of UTA. Guests will be invited to explore the brand-new exhibit immediately following the ceremony.

The interactive exhibit immerses children in the world of public transportation through hands-on experiences using real, repurposed bus components. Guests can take the wheel, explore how routes are designed, learn about careers at UTA, and discover how transit systems keep our city and state moving, connecting children to real-world systems in accessible and engaging ways.

"Our partnership with UTA is all about making public transit accessible and exciting for the youngest members of our community," said Kathleen Bodenlos, CEO of Discovery Gateway Children's Museum. "As Salt Lake City continues to grow, knowing how to navigate public transportation is an increasingly valuable skill, and we want kids and families to feel confident and inspired to ride."

Light refreshments will be provided. The event is free with regular museum admission.

About Discovery Gateway Children's Museum

Discovery Gateway Children's Museum is in downtown Salt Lake City at 444 West 100 South and is a contemporary discovery center offering 60,000 square feet of interactive, hands-on fun. The engaging workshops, programs, and exhibits invite the whole family to create, learn, and play together. It is the mission of Discovery Gateway to inspire children of all ages and abilities to imagine, discover, and connect with their world to make a difference. For information, please call (801) 456-5437 ext. 142, or visit us at www.DiscoveryGateway.org.
