PS 92Q STEM Newsletter - September 2026

Welcome to STEM!

Hello PS 92Q Families,

My name is **Mrs. McGuire**, and I am excited to welcome your child to another year of STEM (Science, Technology, Engineering, and Mathematics)! Throughout the year students will participate in hands-on activities that encourage creativity, problem solving, teamwork, and innovation.

What We Will Learn in September

Kindergarten: What is STEM? Teamwork challenges and building activities.
Grade 1: Introduction to engineering and design challenges.
Grade 2: Engineering Design Process and creative STEM challenges.
Grade 3: Introduction to coding and engineering challenges.
Grade 4: Coding, computational thinking, and problem solving.
Grade 5: Engineering Design Process, coding, robotics exploration, and collaborative challenges.

STEM Highlights This Year

• Robotics
• Coding
• Minecraft Education
• 3D Printing
• Hydroponics
• Engineering Challenges
• STEM Night

Think. Create. Innovate.

Suggested Classroom Supplies

• Disinfecting/Cleaning Wipes
• One Folder for STEM Work
• Pencils
• Headphones or Earbuds (if available)

Most STEM materials will be provided by the school.

Sincerely,

Mrs. McGuire
STEM Teacher
