Small Class Size - Ms. Morales/Ms. Diaz

- Understanding the Class Size Law: 70% of the classes city wide must meet the requirements, by September 2030 we must meet the requirements of 100%
- Planning for Smaller class sizes by looking at a variety of plans.
- Our progress: only 1 class is over the limit
- We have repurposed one room for instruction
- Challenges - we get a projected number of students in the spring and we never know how many will come and go over the summer.
- Next steps - rebalancing classes, better use of space for the future
- Citywide Exemptions: Overenrolled students, not enough space, or License Area Shortages
- We are committed to keeping families informed.

Device Usage

- Exemptions: HMH has read alouds, students can use a device to share for a read aloud, I-Ready assessments, classroom assessments, students with IEP's, homework assignments
- Grades K-2 zero 1:1 device time
- Grades 3-5 30 minute max of device time
- Computer/STEM teachers can use it during their instructional time
