

## **Planned Parenthood Transes Children. Congress Must Defund Them.**

---

**TOPLINE: Congress can defund Planned Parenthood NOW -- but Republicans are dragging their feet.** Planned Parenthood is the leading abortion provider in America and increasingly a leader in "transitioning" children.

Here's The Truth About Planned Parenthood:

### **Planned Parenthood Transes Children:**

- Live Action just released an undercover report exposing that Planned Parenthood is prescribing cross sex hormones for minors with same-day prescriptions via virtual appointments.
  - **WATCH:** [Lila Rose's Shocking Report.](#)
- Planned Parenthood [calls](#) itself "the 2<sup>nd</sup> largest provider of hormone therapy" in America.
- Nearly [450](#) Planned Parenthood clinics offer transgender services with 45 of 49 Planned Parenthood affiliates providing "gender-affirming hormone therapy."

### **Planned Parenthood Provides Thousands of Dangerous Chemical Abortions Every Year:**

- EPPC just [released](#) the largest study ever on chemical abortion.
- **The report found that:**
  - 10.93% of women taking the chemical abortion pill experience adverse events, including sepsis, hemorrhaging, infection, or a different severe complication.
  - That chemical abortion is 22x more dangerous than the reported 0.5% level.

### **Planned Parenthood Receives Billions in Taxpayer Funding Every Single Year:**

- Planned Parenthood received \$148 million in HHS grants and \$1.5 billion in Medicare, Medicaid, and CHIP payments with its regional organizations receiving \$108 million.
- Last fall, Planned Parenthood's political arm spent [\\$40 million](#) trying to influence the outcome of the election.

### **Defunding Planned Parenthood Actually Saves Money for Taxpayers:**

- Despite what the Congressional Budget Office wants you to believe, defunding Planned Parenthood actually saves taxpayer dollars.
- In June of 2022, Sen. Mike Lee and the Joint Economic Committee [issued](#) a report debunking the absurd claim that abortion is good for the economy and found that the loss of lives from abortions costs the American economy trillions of dollars every year.
