The image shows the interior of the Rocco Lounge Bar. It features a long, square-shaped bar with a white geometric pattern on its front. Behind the bar, there are shelves stocked with various bottles. The bar is surrounded by high stools. The ceiling is made of glass, and the walls are constructed from stone with arched windows. The floor is made of light-colored tiles. In the foreground, there are some yellow circular tables and white armchairs.

Rocco Lounge Bar

Feel the buzzing atmosphere, perfect for leisurely daytime meetings, casual socializing, a pre-dinner drink or cocktails served at the square shaped bar beneath a glass roof. The Rocco Bar is named after the St. Rocco chapel located inside the hotel lobby covered with glass roof. A variety of signature cold and hot drinks as well as state-of-the-art desserts are served here all day long.

The image shows the interior of the Buffet Restaurant. It features a spacious dining area with several wooden tables and chairs. The tables are arranged in a way that allows for easy movement. The walls are made of wood, and there are large windows that provide a view of the outside. The floor is made of light-colored tiles. In the background, there is a buffet counter with various food items.
