ORLANDO, Fla. – July 22, 2026 – This summer, guests visiting [Evermore Orlando Resort](#) can enjoy even more ways to maximize their Orlando vacation with two new programs now available at the property: [Evermore Signature Experiences](#) and Conrad Orlando's adventurous, thoughtfully curated offerings. Each program offers guests a selection of exclusively curated experiences designed to create unforgettable moments and memories.

With two distinct ways to stay — [Evermore Residences](#), premium vacation homes purpose-built for large families and group gatherings, and [Conrad Orlando at Evermore](#), a world-class AAA Five Diamond and Forbes Four Star luxury hotel — guests can choose the experience that matches how they want to vacation. Evermore Signature Experiences are available resort-wide and built to bring groups closer together.

Evermore Experiences

With [Evermore Signature Experiences](#), families and loved ones can enjoy thoughtfully curated ceremonies, celebrations and personalized moments, all coordinated by the resort's dedicated team to create meaningful moments throughout their stay.

One highlight of the new collection is **Plant Your Family Tree**, a commemorative ceremony that invites families to leave a lasting mark on the resort through a personalized tree planting. "I cannot wait to come back every single year to look at this tree and have these memories," said Abbie Herbert, content creator. Complete with a custom dedication placard at the base of the tree and gardening keepsakes to take home, the experience gives guests something rare in Orlando: a piece of the resort that's permanently, personally theirs.

Additional Evermore Signature Experiences designed to celebrate togetherness this summer include:

- **Chris-Craft Sunset Cruise** – Aboard *Forevermore*, the resort's fully electric Chris-Craft vessel, guests glide across Evermore Bay for front-row sunset views, paired with cocktails, light bites and curated music — golden hour, elevated.
