

EVERMORE ORLANDO PARTNERS WITH HILTON HONORS PROGRAM: MEMBERS ABLE TO EARN AND REDEEM POINTS AT VIBRANT FLORIDA RESORT

Photo Credit: Evermore Orlando Resort

Orlando, Florida, February 10, 2025 – [Evermore Orlando Resort](#) today announces their partnership with the award-winning guest loyalty program, [Hilton Honors](#), allowing members to earn and redeem Points at the vibrant vacation home community located mere minutes from Walt Disney World® and Universal Orlando Resort®.

Evermore is Orlando's first and only beach paradise. Owned and developed by Dart Interests, it features accommodations, ranging from spacious two-bedroom villas to expansive 11-bedroom vacation homes, and is home to Hilton's recently opened [Conrad Orlando](#) luxury hotel. Whether planning a family getaway or a group retreat, guests can now book their stays at Evermore Orlando resort through Hilton's direct channels—all while enjoying the best of the theme park capital of the world. Highlights include:

- In addition to earning and redeeming Points at Evermore, Hilton Honors members reap benefits including a guaranteed member discount, complimentary Wi-Fi and no resort fees on reward stays booked using all Points. Silver, Gold and Diamond members have the added benefit of a fifth night free when booking a standard room redemption.
- Evermore guests can use Hilton Honors Points for reward stays, either through full Point redemptions or nearly any combination of Points and money through the Hilton Honors Points slider.
- Gold and Diamond Hilton Honors members booking stays at Evermore through Hilton will also receive up to 1,000 Hilton Bonus Points for Gold members and 2,000 Hilton Bonus Points for Diamond members, once per stay.

"We are proud to announce our expanded partnership with Hilton that offers Hilton Honors members the opportunity to earn and redeem Points for our luxurious accommodations designed with larger friend and family groups in mind. Evermore's four to eleven-bedroom accommodations offer a perfect complement to Hilton's luxury Conrad Orlando hotel situated in the heart of the

Evermore Resort," said Christopher Kelsey, President of Dart Interests—owner, operator and developer of the resort complex. "Our partnership with Hilton allows us to work in concert to deliver an unparalleled and memorable guest experience."

A Proven Model for Modern Travelers

Evermore's affiliation with the Hilton Honors program is one more way the resort is redefining how families and groups vacation in Orlando and offers more choices for Hilton Honors members to dream, book, earn and spend Points for stays.

The 1,100-acre resort curls around Evermore Bay, an 8-acre expanse of crystal blue water with 20 acres of tropical beach, packed with a world of watersports and amusements such as private cabanas, a two-story family-friendly waterslide, rope swing, kayaking experiences, and more. Onsite accommodations include 69 houses, 206 four-bedroom flats, and 41 two- and four-bedroom villas, as well as Conrad Orlando, which offers 433 stylish guest rooms and suites enhanced by exclusive luxury amenities.

Guests of Evermore Orlando Resort also have a pick of two Jack Nicklaus-designed, 18-hole golf courses, one links-style, the other parkland; access to a variety of wellness and fitness classes; 12 food and beverage outlets ranging from casual to fine dining; and access to exclusive Evermore activities—both daily and limited time special events—designed for groups of all sizes and ages to enjoy together.

About Dart Interests

Dart Interests is rooted firmly in the idea that building places that matter demands a level of thoughtfulness, creativity and resolve that traditional development and investment firms don't possess. As a long-term developer, Dart Interests devotes a tremendous amount of time and expertise to deciding which opportunities hold the most promise, choosing to work with the individuals and organizations that best align with the vision to pursue the truly exceptional. As a single-source company, the firm's fundamental obligation is to identify each project's unrealized potential and use all resources to bring it to fruition. This tenet pushes the team to challenge conventions across residential, commercial and resort

developments, pursuing engagements that matter, to be inspired in actions and make each Dart Interests undertaking truly distinct. Visit DartInterests.com for more information.
