School Wide Theme 🌟

"Together, We Can Reach for the STARS!"

Creating a back-to-school theme inspired by "A Million Miles Away" can be an exciting and meaningful way to engage newcomers throughout the school year. This movie, which tells the story of an individual overcoming great odds to achieve his dreams, can resonate deeply with students who are adjusting to a new environment and striving to reach their own goals. Here's a theme idea:

Theme Title: " We don't just aim for the stars — we launch our students toward them"
