

Industrial Degalvanizer

Quality So Good, We Use It Ourselves

- Safe For All Metal Forming Equipment
- Spray and Wipe
- Cleans and Protects
- Maintains Equipment - Including Ductmate's Own Flange Lines
- Maintains Product Quality

DESCRIPTION

D-ZINC is a degalvanizing spray for use on roll-forming machines, shears, punch press dies, and notchers. D-ZINC will soften, loosen, and flake off galvanizing debris. It quickly cuts through galvanized scale and rust. D-ZINC is safe for use on metals, alloys, rubber, and most painted surfaces.

BASIC USE

FOR INDUSTRIAL USE ONLY

1. Use in well ventilated area.
2. Shake can well before use. Always point spray tip away from yourself and others.
3. Hold spray can tip 8 to 12 inches from surface to be covered. Always spray at a 90° angle to surface.
4. Spray D-ZINC Degalvanizer at those points where galvanizing tends to build up on your machines. Under normal conditions, galvanizing build-up can be removed by light scraping or with a wire brush.

SPECIAL CHARACTERISTICS

- Safe for all metal forming equipment
- Spray and wipe
- Cleans and protects
- Maintains equipment - including Ductmate's own flange lines
- Maintains product quality

PACKAGING INFORMATION

Part No.	Description	Quantity
DZINCSPRAY	13 Ounce Can	12 Cans Per Case

LIMITED PRODUCT WARRANTY

Ductmate warrants that D-Zinc, when properly installed and maintained, will be free from defects in material and workmanship, and will comply with all written specifications made by Ductmate at the time of sale. Ductmate's warranty shall run for a period of one year from the date of manufacture.

Warranty Limitation

The warranty stated above is in lieu of all other warranties, express or implied, including but not limited to the implied warranties of MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Although Ductmate may have suggested the product, or provided written or oral advice to the Purchaser, it is the Purchaser's responsibility to test and determine the suitability of D-Zinc, for the intended use and purpose, and Purchaser and/or its customer assumes all risk and liability whatsoever regarding such suitability.

Limitation of Liability

In the event of a breach of the above warranty, Ductmate's sole obligation, and Purchaser's sole and exclusive remedy, shall be, at Ductmate's option, repair or replacement of any defective products, or refund of an applicable portion of the purchase price. Ductmate shall have no liability for costs of removal or reinstallation of the product. The Purchaser agrees that no other remedy, including but not limited to loss of profits, loss sales, injury to person or property, or any other special, incidental or consequential damages, shall be available to the Purchaser for any claim arising out of this Agreement, regardless of whether such claim is made in contract or in tort, including strict liability in tort. In no event will Ductmate be obligated to pay damages to the Purchaser in any amount exceeding the purchase price that the Purchaser paid to Ductmate for the allegedly defective product.
