Cornermatic® Corners

Industry Leading T.D.C / T.D.F Corners

Available in Strap-Pak® Magazine for Fast Load Times

- Licensed and designed for use with all Cornermatic® insertion machinery
- Fits all automatic corner inserter brands
- Exclusive Strap-Pack 80 magazine loads 3 times faster, increasing production throughput
- Keeps corners properly aligned reducing jamming and excessive machinery down time
- Precision stamped 16-gauge design for enhanced strength
- Union made in U.S.A
- Wide range of specialty alloys
- Accepts standard 3/8" x 1" carriage bolts & nuts.

Cornermatic® Corners

Industry Leading
T.D.C / T.D.F Corners

T.D.C / T.D.F Corners

DESCRIPTION

Manufactured for use in automated corner inserts for transverse duct connections, these corners eliminate jamming and are designed for use with the Corner Cadet® and Cornermatic Corner Inserter.

Cornermatic Corners can also be manually inserted when needed and provide a cost-effective solution for specialty alloy applications, helping reduce both material costs and lead times.

SPECIAL CHARACTERISTICS

- Licensed by Systemmation for use on the Cornermatic machines
- Precision stamped 16-gauge design is strong and easy to use
- Available in a variety of metals
- Ideal for auto corner machines or manual insertion
- Designed for a 3/8" Carriage Bolt
- Union Made in the U.S.A

Strap-Pak® Corners

Strap-Paks available with
Universal Corners

DESCRIPTION

The Fastest, most efficient way of reloading TDC/TDF corner-inserting machinery in the HVAC industry. Cornermatic Strap-Pak Corners reload at least three times faster than traditional corner packaging, reducing both loading time and lost production time.

Strap-Paks contain 80 corners per strap versus the traditional 25 per stack.

COMPATIBLE MACHINES

Iowa Precision:

- Single Head
- Dual Head
- Corner Cadet
- Cornermatic Plus
- Cornermatic II Whisper-Loc Combo

Vicon Machinery:

- Single Head
- Dual Head

Mestek Machinery approved Cornermatic Strap-Pak Chutes are available free of charge to fit all corner inserter models.

Consult Ductmate Industries for minimum quantities and availability of specialty alloys in Strap-Pak configuration

LIMITED PRODUCT WARRANTY

Ductmate warrants that Cornermatic Corners, when properly installed and maintained, will be free from defects in material and workmanship, and will comply with all written specifications made by Ductmate at the time of sale. Ductmate's warranty shall run for a period of one year from the date of manufacture.

Warranty Limitation

The warranty stated above is in lieu of all other warranties, express or implied, including but not limited to the implied warranties of MERCHANTABILITY and FITNESS FOR A PARTICULAR PURPOSE. Although Ductmate may have suggested the product, or provided written or oral advice to the Purchaser, it is the Purchaser's responsibility to test and determine the suitability of Cornermatic Corners for the intended use and purpose, and Purchaser and/or its customer assumes all risk and liability whatsoever regarding such suitability.

Limitation of Liability

In the event of a breach of the above warranty, Ductmate's sole obligation, and Purchaser's sole and exclusive remedy, shall be, at Ductmate's option, repair or replacement of any defective products, or refund of an applicable portion of the purchase price. Ductmate shall have no liability for costs of removal or reinstallation of the product. The Purchaser agrees that no other remedy, including but not limited to loss of profits, loss sales, injury to person or property, or any other special, incidental or consequential damages, shall be available to the Purchaser for any claim arising out of this Agreement, regardless of whether such claim is made in contract or in tort, including strict liability in tort. In no event will Ductmate be obligated to pay damages to the Purchaser in any amount exceeding the purchase price that the Purchaser paid to Ductmate for the allegedly defective product.
