Area Of Expertise

Alex Peach is a member of the Office Services Division at Colliers, where he advises landlords, tenants, investors, buyers, and sellers on a wide range of commercial real estate opportunities throughout Hawaii. His experience representing clients on both sides of leasing and investment transactions provides him with a comprehensive understanding of the market and allows him to deliver strategic guidance tailored to each client's unique objectives.

Alex represents some of Hawaii's most recognizable landowners, including Kamehameha Schools, The Harry & Jeanette Weinberg Foundation, Meiji USA, and Don Quijote, overseeing office leasing initiatives designed to maximize occupancy, strengthen tenant retention, and enhance asset value. In addition to his leasing expertise, Alex works closely with property owners, investors, and owner-users on the acquisition and disposition of commercial real estate assets. He assists clients in identifying investment opportunities, underwriting transactions, negotiating purchase and sale agreements, conducting due diligence, and navigating the closing process from start to finish.

Whether representing a tenant seeking the ideal location, a landlord leasing available space, an investor pursuing acquisition opportunities, or an owner looking to market and sell a property, Alex is committed to delivering exceptional service and results. He takes a hands-on approach throughout every transaction, ensuring clients understand each step of the process, remain informed of market conditions, and are positioned to make sound

real estate decisions. Through proactive communication, strong negotiation skills, and a commitment to building long-term relationships, Alex works diligently to help his clients achieve their goals and maximize the value of their real estate investments.
