Fleece Sherpa

Recipe

Everyone wants the apré s-ski feel whether you're on the slopes or not. Develop your own cozy sherpa fleece fitted for your brand, perfect for crisp mornings and weekend outdoor activities.

Ingredients

- Sherpa fabric
- All-over printed pattern
- Embroidered chest logo
- Branded zipper pull
- Woven tags

Om.

Sherpa Vest

Recipe

Outdoor club apparel is back, and the sherpa vest can bring your colors, branding, and aesthetic together for the perfect winter layering apparel.

Ingredients

- Multiple fabric options
- Insulated body
- All over custom pattern
- Custom-pocket detailing
- Embroidered logos
- Contrast ribbed

Thick Cable-Knit Sweater

Recipe

A good knit can become a closet special. The heavy knit cable sweater brings heritage texture and fashion-forward styling to branded apparel. Think elevated details, unexpected color, and a fit worth keeping in rotation.

Ingredients

- High-quality soft knit or wool
- Knitted or embroidered branding
- Custom woven tag

Winter Beanie Caps

Recipe

A custom beanie is a small but mighty way to put your brand into rotation all winter long. Serve some ski-club nostalgia with a beanie that's knitted to your brand's colors, finished with embroidered logos or woven tags.

Ingredients

- High-quality soft knit or wool
- Custom woven tag

Open-Back Lounge Slippers

Recipe

Give the gift of the five-star treatment with an everyday essential that becomes part of their household wardrobe. The open-back lounge slippers custom matched to your brand's colors with multiple branding options.

Ingredients

- Open-back slip-on silhouette
- Soft cotton fleece fabric
- Embroidered detailing
- Optional woven tags
- Memory foam interior

Om.

Ski Goggles

Recipe

Take your brand to the slopes with custom colors and details for an item that is both functional and unforgettable.

Ingredients

- PC or TAC lenses
- Custom elastic head band

Decor

Am.

Decorative Candle Set

Recipe

Set the mood with your brand. A custom candle set can turn your brand into a sensory experience, from the scent to the wax mold to the packaging. Whether as a gifting item or your company's holiday party decor, bring your brand to the table this winter season.

Ingredients

- Colored wax & wick
- Custom shape mold
- Scent of your choosing
- Custom packaging for safe delivery

String Lights

Recipe

The best trees are full of personal mementos, tokens of travel, and unexpected objects. String lights give brands a place in that mix, with room for playful designs that feel collectible and come back out every holiday season.

Ingredients

- Copper wire with plastic insulation
- Glass or plastic bulb
- Internal electronic components

Snow Globe

Recipe

Snow globes are the perfect nostalgic keepsake that gives your brand a place on the shelf even after the holidays are over. Shake things up with custom details that make the classic item into a mini branded experience.

Ingredients

- Ceramic or plastic decorative scene or figurine
- Glass globe
- Specialized liquid with floating white particles that mimic snowflakes
- Wood or metal base, debossed tagline or logo

Kitchen & Table

Ceramic Sculpted Mug

Recipe

Put your brand on the daily morning ritual with an all-over hand-painted ceramic cup. Forgo the standard mug with a new shape. Your colors, unique pattern, and artwork.

Ingredients

- Ceramic body
- All-over hand painted finish
- Dual-purpose lid with half open design
- Suited for hot or cold beverage, weather be damned

Ceramic Plate & Cup Set

Recipe

A custom set changes everyday moments into an experience, from morning coffee to a very important desk lunch. Serve it with your logo, unique hand-painted patterns and your brand's personality.

Ingredients

- Three-piece ceramic plate set
- Ceramic cup
- All-over hand painted finish

Am.

Tea Infuser

Recipe

We're giving decades old tea-time some character. The tea infuser holds your loose-leaf blend while adding some playful creativity to the cup. Whether fitted for your brand's icon or just signature colors, it's the perfect holiday gifting item to cure your clients' winter blues.

Ingredients

- Custom figurine
- Heat proof silicone

Cork-Screw Wine Stopper

Recipe

A good bottle makes you a good guest, but a thoughtful detail makes you a memorable one. Combining two in one, put your brand on a corkscrew and decorative stopper that stays with the host long after dinner. Turn a familiar gift into something with a little more function and taste.

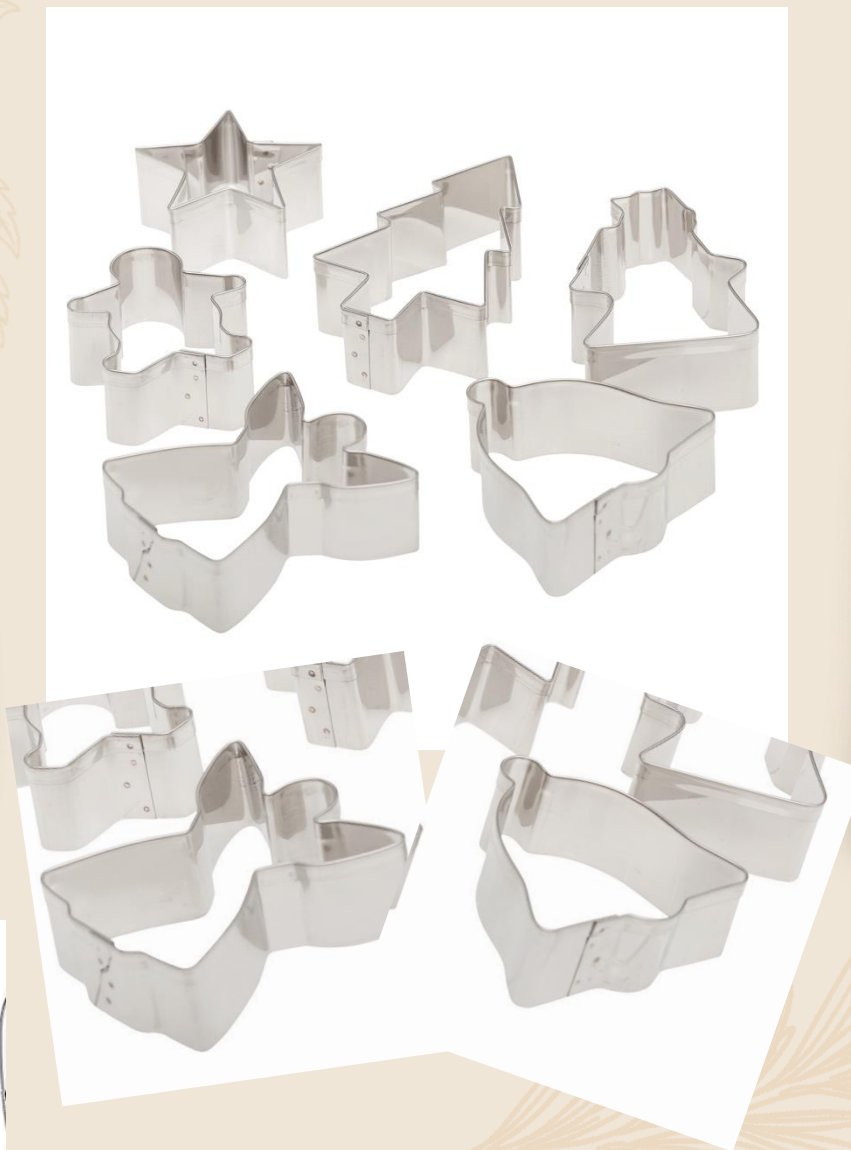

Ingredients

- Metal stopper
- Metal screw
- Custom molded decorative top

Cookie Cutter Set

Recipe

Custom cookie cutters take your brand directly into the kitchen to become part of the family traditions of baking that gives people a reason to gather, get creative, and make something tasty (and/or a mess;).

Ingredients

- Metal mold fitted to your brand

Finishing Touches

Am.

Custom Packaging

Recipe

The first impression starts before the gift is even opened. Custom packaging turns the unboxing into part of the brand experience, with every box, wrap, insert, and detail working together to make the moment feel intentional. Consider it the garnish that makes the whole thing worth photographing.

Ingredients

- Corrugated cardboard
- Rigid boxes
- Paperboard
- Wooden boxes
- Custom paper inserts
- Branded tissue paper
- Crinkle paper or shredded tissue
- Ribbon finishing touches
- Vinyl or paper stickers
