Explore flexible coverage options for your best buddy.

Pets warm our hearts. Help keep them safe.

Bundle them up. If you're cold, they're probably cold. When in doubt, add a layer.

Careful of handouts. Your houseguests may be unable to resist sharing festive foods, but remember that things like chocolate and alcohol are toxic.

Give them a break. When you're entertaining or traveling, make sure they have a safe, quiet place to unwind.

Consider safety and comfort indoors. Block off heat sources like wood stoves and consider using humidifiers to keep their skin from getting dry.

At MetLife Pet, we treat your pets like family.
