

PACT

POST-ACUTE TECHNOLOGY
EXECUTIVE ROUNDTABLE

YOU'RE INVITED: HAVE A VOICE AT THE TABLE

Join the **November 2026** Post-Acute Technology Executive Roundtable

Why Attend?

Join an exclusive in-person gathering of post-acute technology leaders shaping the future of healthcare innovation. At this Fall 2026 roundtable, you'll engage with C-suite and senior technology executives to exchange insights, explore emerging trends, and collaborate on strategies that advance digital transformation, cybersecurity, systems operability, and technology investing across the post-acute continuum.

Hear from National Thought Leaders: Subject matter experts and innovative vendor solutions that are shaping the future of post-acute care.

Member-Led Sessions: Facilitated by distinguished peers, these sessions foster candid dialogue and collaborative problem-solving among senior leaders.

Build Connections: Join an elite network of peer executives for ongoing collaboration, learning, and influence at the events and through our proprietary member app.

Engage in Open Dialogue: Share and explore the toughest technological, operational, and interoperability challenges facing healthcare technology leaders today.

Your Voice Matters

This isn't just another conference—it's an exclusive opportunity to join a think tank on mission to shape the future of post-acute technology in our industry. As a founding member, you'll help set the vision for this new leadership collective while experiencing the charm of **San Antonio's world-famous River Walk**.

Seats are limited. Registration is free.
