September 2026

Dear Parents/Guardians:

I am pleased to announce that for the 2026-2027 school year, M.S. 101 is offering E-Sports! We will be competing against other schools in District 8 in a competitive league that will include 6 games (1-2 per week) played by 4 people. This form is to give permission to your son or daughter to participate in the Fall Madden Esports League.

This is a safe and fun activity for your child to continue to hone their team skills while participating in a competitive environment. There are only **8 spots** available for the team and the members will be selected based on skill and academics. Any questions or concerns, please feel free to contact me anytime at the number listed below. I look forward to the healthy competition and am excited for the season.
