

MS 101 Families:

I hope everyone has a wonderful weekend!

Just a reminder that Fall Progress Reports were distributed today. Please review the report with your student and feel free to reach out to their teachers if you have any questions or would like to follow up. A copy of our 2026–27 faculty email directory is attached for your reference.

A successful school year requires a strong partnership between school and home. Staying actively informed is one of the most effective ways to support your student's growth, accountability, and academic success.

To ensure seamless communication, **all M.S. 101 families are required to establish access to the following three core platforms:**

- **SyncGrades (Academic Performance):** Gives you direct visibility into your child's gradebook, missing assignments, and attendance. Reviewing grades regularly helps address potential academic struggles early—before they impact final terms.
- **Google Classroom (Daily Coursework):** Provides real-time tracking of daily classwork, homework deadlines, and teacher announcements. *Please note: You must be logged into your child's student DOE account to view their class materials.*
- **M.S. 101 App (School Communication):** Delivers essential weekly updates, schedule changes, event calendars, and school-wide announcements directly to your phone so your family never misses crucial deadlines.

When parents and guardians monitor these tools regularly, students remain organized, accountable, and set up for long-term achievement. Please log in and set up your accounts this week.

Sync Grade Login Information

At MS 101, strong school-to-home communication is vital to your child's success. We rely on **SyncGrades** as our primary tool for families and students to monitor **grades, assignments, missing work, and overall academic progress**. Our teachers update SyncGrades regularly so you always have a clear picture of how your child is doing.

Our goal is 100% participation. We expect **all** families and students to connect to SyncGrades and check it at least once a week together. Use this time to celebrate successes, address missing assignments, and reach out to teachers with questions.

WIN Placement

Note that WIN (What I Need) kicked off this week! Be sure to check your child's backpack for their WIN Placement information for the 2026–27 school year, and take a look at the details below to learn more about how WIN works.

2026–27 WIN Placement Information

At M.S. 101, we truly believe that every student can and will engage with grade-level texts to become lifelong, proficient readers. While many middle schools move away from foundational reading instruction, our data shows how valuable it is to keep supporting our students' reading growth right through their middle school years.

To make sure every child gets the tailored support they deserve, we created the WIN (What I Need) period during Period 2. During WIN, our trained staff deliver targeted, research-based instruction—whether that means extra help, skill acceleration, or fun enrichment activities!

Students are thoughtfully grouped by skill level using data from universal screeners, risk verification assessments, and placement tests. These sessions provide great, transferable reading strategies that your child can use across all of their subjects.

Next Steps for Parents: Please review both sides of the enclosed sheet in your child's backpack for details on their:

- Fall i-Ready scores
- New York State exam scores
- Attendance record
- Designated WIN group

Thank you so much for your continued partnership and support in your child's learning journey!

See sample below....

MS 101 maintains a strict device policy to support a focused, distraction-free learning environment. Each morning, students will secure their cell phones and other internet-enabled devices in Yondr pouches. The pouches will remain locked throughout the school day and will be unlocked at dismissal. Students must be prepared to place their devices in their Yondr pouches upon arrival every day.

Uniform Policy

MS 101 is a uniform school. All students are expected to be in full uniform every day. Please note: **No jeans or denim shorts** are permitted.

Staying Connected

MS 101 will send important school updates to the email address that received this message. If you would like to add an additional email address to our distribution list, please reply directly to this email. We also strongly encourage all families to download our **free MS 101 school app** to stay informed throughout the school year.
