November 2022

Dear Parent(s)/Guardian(s),

As the first marking period fast approaches, your child's report card will be available and distributed on Thursday, November 17th. In addition, we wanted to bring awareness to our new Parent Teacher Conferences structure and the dates that the conferences will be held.

Virtual Parent Teacher Conferences
Thursday, November 17th, 5:00pm - 8:00pm
Friday, November 18th, 1:00pm - 3:00pm

Parent teacher Conferences were restructured to effectively reach all Bronx Legacy families and build an open and meaningful relationship concerning student progress. This year each student is assigned an Academic Liaison (BXL teacher), who will schedule a conference with you on the day and time that you are available. The Academic Liaison will share your child's academic progress in each class by providing areas of strengths and growth that were communicated to them by your child's subject teachers. If you desire to schedule a conference with a specific subject teacher, your child's Academic Liaison will be happy to assist you.

Your Academic Liaison will be reaching out to you to schedule an appointment. However, if you would like to schedule your own appointment, kindly schedule a conference using the appointment link or QR code that corresponds to your child's Academic Liaison. Conferences are set in 15 minute increments and can be held via Google Meets or a phone call. After selecting a time, you will receive reminder emails to prevent missing your conference time. In addition to meeting with your child's Academic Liaison, families have the option of scheduling a conference with the counseling staff, the assistant principal and/or principal using the specific links provided.

If you have any questions or concerns, please contact your child's Academic Liaison using the email provided.

Sincerely,
Bronx Legacy Staff

Noviembre de 2022

Estimados padres/tutores:

A medida que se acerca rápidamente el primer período de calificaciones, la boleta de calificaciones de su hijo estará disponible y se distribuirá el jueves 17 de noviembre. Además, queríamos dar a conocer nuestra nueva estructura de conferencias de padres y maestros y las fechas en que se llevarán a cabo las conferencias.

Conferencias virtuales de padres y maestros
Jueves, 17 de Noviembre, 5:00 p.m. - 8:00 p.m.
Viernes, 18 de Noviembre, 1:00 p.m. - 3:00 p.m.

Las conferencias de padres y maestros se reestructuraron para llegar efectivamente a todas las familias de Bronx Legacy y construir una relación abierta y significativa sobre el progreso de los estudiantes. Este año, a cada estudiante se le asigna un Enlace Académico (maestro BXL), quien programará una conferencia con usted el día y la hora en que esté disponible. El Enlace Académico compartirá el progreso académico de su hijo en cada clase al proporcionar áreas de fortalezas y crecimiento que les fueron comunicados por los maestros de las materias de su hijo. Si desea programar una conferencia con un maestro de una materia específica, el enlace académico de su hijo estará encantado de ayudarlo.

Su enlace académico se comunicará con usted para programar una cita. Sin embargo, si desea programar su propia cita, programe una conferencia usando el enlace de cita o el código QR que corresponde al enlace académico de su hijo. Las conferencias se establecen en incrementos de 15 minutos y se pueden realizar a través de Google Meets o una llamada telefónica. Después de seleccionar una hora, recibirá correos electrónicos de recordatorio para evitar perder la hora de su conferencia. Además de reunirse con el Enlace Académico de su hijo, las familias tienen la opción de programar una conferencia con el personal de orientación, el subdirector y/o el director utilizando los enlaces específicos proporcionados.

Si tiene alguna pregunta o inquietud, comuníquese con el enlace académico de su hijo utilizando el correo electrónico proporcionado.

Atentamente,
Personal de Bronx Legacy
