Date: July 1, 2026

Dear Parent/Guardian:

You have the right to know about the teaching qualifications of your child's classroom teacher in a school receiving Title I funds. These qualifications include:

- Whether the teacher is teaching under an emergency or other provisional status through which State qualification or licensing criteria have been waived
- Whether the teacher is teaching in the field of discipline of the certification of the teacher
- Whether your child is provided with services by paraprofessionals and, if so, their qualifications

You may ask for the information by returning this letter to the address listed above, or by emailing the form to justin.smith@mygovs.com. Be sure to give the following information in your request:
